

Stage 6

Stage distance: 6.1 miles
GPS: 35° 52.628 N; 116° 16.049 W
About .2 of a mile south of milepost 8.00

The actual exchange point is moved in from the highway a few yards so that the follow car does not need to move left, and go out of the shoulder lane at the exchange point. Incoming runner in red, outgoing in blue.
