

Stage 17 approach for 2019

The follow vehicles will be directed into the shoulder lane at the Stage 17 Early Warning location. The follow vehicles will remain in the shoulder lane, driving all the way to the start of Stage 17 at 10 mph - no passing.

The Early Warning HAM is just beyond the end of the highway construction.

Late Night Trailhead M/P 15.75

Stage 17

Look for volunteer officers with special yellow flashlights to guide the follow vehicles as they get close to Stage 17.
