

Stage 20

GPS: 36°07.740 N & 115°13.620 W

Stage length: 4.6 miles

Stage is on Desert Inn at Jones Ave

HAM Medics

Light tower

Portable toilets

RV Support

Runner parking

The only vehicles to park on the dirt near the exchange point are those of the HAM and Medics. The driveway and gate to the Las Vegas Water District needs to be kept clear of parked vehicles.

The incoming, or Stage 19, runner is to be directed onto the sidewalk and the intersection before the exchange point. The exchange chute is to be set up on the dirt lot and not on the sidewalk. After the Stage 20 runner gets the baton he exits the dirt lot using the driveway.

The route to the Rio Hotel is being finalized. Map to follow
