

## STAGE 14 for 2022

GPS: 36° 04.383 N & 115° 46.138 W

Stage distance: 10.7 miles

The exchange point area has been re-graded with an E/B 160 right turn lane added. This Google Earth view from 2016 is not representative of the current terrain. The small green square represents the timers and the blue square are the medics. There is now barely room for two small vehicles in this red-circled area.
